Dear Prospective Sponsor,

Do you have a daughter? A sister? A female friend? Does she suffer from an eating disorder like bulimia or anorexia? Do you even know?

My daughter, Jackie, was a beautiful, talented, and intelligent young woman with a bright future. Jackie died at the age of 19 on January 1, 2008 due to complications related to bulimia and anorexia.

Called to action by Jackie's death, our family became determined to spread the word about the dangers of eating disorders. In the United States alone, as many as 10 million females and 1 million males are fighting a life and death battle with an eating disorder such as anorexia or bulimia. Eating disorders are the most deadly of all mental health disorders, killing over 10,000 women each year.

Though the incidence of eating disorders continues to grow, research, insurance, and cultural awareness for these diseases remains under-addressed. We formed the Jackie Bristow Memorial Foundation (**Non-Profit ID: 27-2621568**) to educate the community and help prevent others from suffering Jackie's fate.

On January 6, 2018, the Jackie Bristow Memorial Foundation will host our ninth annual "Jackie Bristow Memorial 5k Run/Walk" in downtown San Dimas, CA. Last year, almost 700 registrants and 150 volunteers and their families participated in the success of the Run/Walk. This year, we look forward to an even larger event that will reach out to many more people.

But we need your help!

We need your help in the form of sponsorships for our event. You can help with a generous donation to spread the word about the dangers of eating disorders. Your donation, along with the entrance fees for the Run/Walk will help us fund educational programs in our local community and spread the word on the dangers of eating disorders.

Your donation will help us reach more people, and your company will get recognition at our Run/Walk event. Please show that you are concerned about our young women, too, and help however you can.

Thank you for your support.

Grant Bristow,
President, Jackie Bristow Memorial Foundation
